WHAT IS TOPS?

Louisiana's Taylor Opportunity Program for Students (TOPS) is a comprehensive program of state scholarships and one of the most innovative and progressive student assistance programs in the nation. TOPS has four award components. One component, the TOPS Tech Award, is detailed herein. (See separate brochure for the TOPS Opportunity, Performance and Honors Awards.)

WHAT IS THE TOPS TECH AWARD?

Unique among the TOPS scholarships, the TOPS Tech Award was created by the Louisiana Legislature with the sole intention of promoting a skilled workforce in Louisiana. The TOPS Tech Award is offered to qualified high school graduates and provides up to two years of skill or occupational training, to be pursued at an accredited Louisiana postsecondary institution that offers a vocational or technical education certificate, diploma or non-academic degree.

WHAT TYPE OF TRAINING CAN I RECEIVE WITH THE TOPS TECH AWARD?

The award may be used to enroll in a variety of technical and skill programs ranging from Automotive Technology to Computer Electronics Technology to Cosmetology to Practical Nursing. For information on the programs that are available, go to the Louisiana Technical College Web site (www.ltc.edu) or the Web site of your local college, proprietary school or cosmetology school.

WHERE MAY I USE THE TOPS TECH AWARD?

The TOPS Tech Award may be used for up to two years of skill or occupational training at any campus of the Louisiana Community and Technical College System, accredited two- or four-year public college or university, or private college or university (members of the Louisiana Association of Independent Colleges and Universities, LAICU) that offers a vocational or technical education certificate, diploma or non-academic degree program.

Students who are eligible for the TOPS Tech Award may also use their awards at the following schools: any school with a valid and current certificate of registration issued by the Louisiana State Board of Cosmetology and that is accredited by an accrediting organization recognized by the United States Department of Education, and any proprietary school, with a valid and current license issued by the Board of Regents and accredited by an accrediting organization recognized by the United States Department of Education.

To be eligible for TOPS Tech, these schools must also comply with all applicable laws and administrative rules concerning initial eligibility and continuing eligibility for schools participating in the TOPS Tech Award Program.

The TOPS Tech Award MAY NOT be used at any institution to pursue an academic program or degree.

HOW AND WHEN TO APPLY FOR TOPS?

To apply for TOPS, the student should complete the Free Application For Federal Student Aid (FAFSA) at www.fafsa.ed.gov or the TOPS On-line Application at www.osfa.la.gov. The FAFSA must be completed by students who qualify for federal grant aid, and by students who are seeking other forms of financial aid. The TOPS On-line application may only be completed by students who can certify that they do not qualify for federal grant aid. In the event of a budget shortfall, students completing the TOPS On-line Application instead of the FAFSA will be the first to lose their TOPS award.

Graduates of 2012 - The TOPS application deadline is July 1 following the one year anniversary of high school graduation. You **MUST** file your FAFSA or TOPS On-line Application so that it is received by the federal processor by July 1, 2013 to receive full TOPS funding. However, to ensure timely processing and award notification, students are strongly encouraged to file at least six weeks prior to entry into college. Be sure to **PRINT** and **RETAIN** your dated FAFSA or TOPS On-line Application confirmation page that includes the confirmation number in case verification of timely filing is required. *No payment of a TOPS award will be made until the initial FAFSA or on-line application has been received and you have been determined eligible for a TOPS award.*
