WHAT IS TOPS?

Louisiana's Taylor Opportunity Program for Students (TOPS) is a comprehensive program of state scholarships and one of the most innovative and progressive student assistance programs in the nation. TOPS has four award components. One component, the TOPS Tech Award, is detailed herein. (See separate brochure for the TOPS Opportunity, Performance and Honors Awards.)

WHAT IS THE TOPS TECH AWARD?

Unique among the TOPS scholarships, the TOPS Tech Award was created by the Louisiana Legislature with the sole intention of promoting a skilled workforce in Louisiana. Currently, the TOPS Tech Award is offered to qualified high school graduates and provides up to two years of skill or occupational training to be pursued at an accredited Louisiana postsecondary institution that offers a vocational or technical education certificate/diploma.

Students who are awarded TOPS-Tech may enroll in a Louisiana public community or technical college that offers a Vocational or Technical Education Certificate or Diploma Program or a non-academic undergraduate degree to pursue a skill, occupational training, or technical training (including approved cosmetology and proprietary schools) subsequent to high school graduation.

Beginning with students graduating in the 2016-17 academic year, TOPS Tech awards may also be used for certain degrees/certifications and programs that are aligned with state workforce priorities as determined by the Board of Regents and the Louisiana Workforce Investment Council.

WHERE MAY I USE THE TOPS TECH AWARD?

For Students Graduating High School in the 2016-2017 Academic Year:

The TOPS Tech Award may be used for up to two years of skill or occupational training at any campus of the Louisiana Community and Technical College System, accredited two-or-four-year public colleges or universities, or private colleges or universities (members of the Louisiana Association of Independent Colleges and Universities, LAICU) to pursue a vocational or technical education certificate, diploma or non-academic degree program. Students who are eligible for the TOPS Tech Award may also use their awards at any school with a valid and current certificate of registration issued by the Louisiana State Board of Cosmetology and that is accredited by an accrediting organization recognized by the United States Department of Education, and any proprietary school, with a valid and current license issued by the Board of Regents and accredited by an accrediting organization recognized by the United States Department of Education.

Beginning with 2017 graduates, TOPS Tech awardees may use their awards to enroll in an eligible college or university on a full time basis in an associate's degree or other shorter-term training or education program that is aligned to state workforce priorities as determined by the Board of Regents and the Workforce Investment Council.

If the Board of Regents and the Louisiana Workforce Commission determine that a program is no longer aligned with those priorities, an otherwise eligible student who had previously received an award and enrolled in that program may continue to use the award.

HOW AND WHEN TO APPLY FOR TOPS?

To apply for TOPS, the student should complete the Free Application For Federal Student Aid (FAFSA) at www.fafsa.gov or the TOPS On-line Application at <https://www.osfa.la.gov/AwardSystem/>. The FAFSA must be completed by students who qualify for federal grant aid and by students who are seeking other forms of financial aid. The TOPS On-line application may only be completed by students who can certify that they do not qualify for federal grant aid.
